Dear Ma'm

Sub: Request for setting up a meeting with CAF and BBMP officials wrt the Property Tax issue

I am writing this letter as Secretary Citizens' Action Forum (CAF) as we understand that our letter to the Worshipful Mayor and BBMP Commissioner to set up a meeting with the BBMP commissioner and revenue officials along with the Honorable Mayor has been given to you for further action, We are seeking this meeting so as to discuss and put forth our view points with regards to the Zonal reclassification and increasing Property taxes for the city of Bengaluru.

Looking at the seriousness of the matter and urgency, as it will majorly impact many sincere Taxpaying citizens of Bengaluru, we urge you to set up the meeting at the earliest.

I have also scanned and attached our earlier letters to Honorable Mayor and BBMP Commissioner in this regard for your quick reference.

Looking forward to hearing from you,

Sincerely

Mahalakshmi Parthasarathy
